Enclosure No.

Sir,

I have the honor
to invite your kind
attention to the urgen
necessity which exist
for constructing a
witness shed attache
to this Court. I have
personal experience
of the difficulties
which parties attendin
my Court are put to
in standing under
trees

Knees for hours in the rain before their cases are called and disposed of. The difficulty they are put to appeals to me forcibly now at a time when it rains almost every day. Several Courts have been provided with such sheds and Government have also I believe considered the necessity of constructing such buildings as soon as possible. As a very large number of persons daily assemble in my Court I think a witness shed very necessary in a place like Hassan which is moreover the Head Quarters of a District. I request you will kindly recommend to Government the construction of such a shed being taken on hand as early as possible.

I have etc.

(Sd) A. Srinivasa Raghavachar

Munsiff.
